

ESCC May News!

Dear Mom and Dad,

Spring has come and as the saying goes, "April Showers Bring May Flowers". Many of our classes have been planting seeds and watching to see what grows. Also, they will be talking about how special all the members of their families are.

Also...

Please check to see that your child has brought home all their winter wear (i.e.: slippers, boots, mittens, snow pants, etc.) Hopefully they are no longer needed.

Thank you to all the parents who took the time to fill out the parent questionnaire. Your comments and suggestions are very much appreciated and help us to make our center the best it can be.

FYI:

Moms and Dads, you may want to browse through our parents' library located on the bookshelves opposite Ms. Bonnie's office. What types of materials will you find there? We have a wide-ranging collection of books, videos, DVD's, and audiotape/book sets. They cover several broad categories, such as Death and Grief, Family Issues, e.g. behavioral concerns, discipline strategies, health issues, developmental milestones, etc, the New Baby, and Potty Training. Come and see if our resources are helpful to you.
